

# UHT MILK – BULK

## PRODUCT SPECIFICATION

### Product Description

Produced in the heart of New Zealand, our UHT milk is made using high quality milk from pasture fed cows that graze outdoors year round.

- Full cream milk that's 100% pure and delicious.
- Rich source of over 10 essential nutrients for healthy bodies and strong bones, including Calcium, Protein & Vitamin A.
- No preservatives.
- Deliciously creamy.

### Bulk Packaging

The UHT Milk is supplied in an innovative SpaceKraft® seamless corrugated board container of very high compression strength. Inside each container is a 'form-fit' liquid liner that complies with all international food safety regulations for materials and articles intended to come into contact with food. The liquid liner is supplied with an aseptic discharge valve to simplify loading and discharging of the milk. Total capacity when fully filled is 1,000 litres.
