

Product Description

Aspac Calci Milk contains all the nutritional goodness that you would expect from any high quality dairy product. It is a rich source of essential daily nutrients including:

- Calcium: needed for strong healthy teeth and bones
- Phosphorus: A vital part of the body's cells
- Potassium: needed for nerve function, muscle control and blood pressure control
- Riboflavin: releases energy from food
- Vitamin A: for vision and maintaining the immune system
- Vitamin B12: for new cell formation and growth
- Magnesium: an important mineral in bone mineralisation and nerve impulses
- Carbohydrate: Lactose is the main carbohydrate in milk – it is an important source of energy
- Protein: crucial for the formation, repair, and maintenance of body tissues
- Zinc: good for the immune system and healthy growth.

Packaging

Aspac Calci Milk is available in 200mL, 250mL (single serve), 1 Litre (family size) Aseptic cartons and pouches as well as bulk 5, 10, 25 Litre containers.
